

TMEA All-State Audition Process

2011-2012

- If you are planning on auditioning, you must get the music on your own or from your choir director
 - If getting the music from a director, you must return it or pay for it
- CDs available upon request
- You must be eligible (passing) to audition
- You must audition for Ms. Roesner and Ms. Neva in class on **September 1st and 2nd** first in order to be considered to audition for District.
- You must turn in \$15.00 by **Thursday, September 1st**. This is because Ms. Roesner must enter you into the system. This money is NON REFUNDABLE (no matter what the reason) after September 3rd.
 - If you are facing a financial problem, please come speak with your director immediately. We will do what we can to alleviate the problem.
- If you are allowed to go to District auditions, you must sing after school for Ms. Roesner and Ms. Neva once each (1 for Roesner and 1 for Neva) before the auditions and are HIGHLY encouraged to go to the after school rehearsals.
 - Make sure you can devote the time and energy to this before you commit
- If you are allowed to go to District auditions, you will be expected to attend the following. The full process will be explained in class and after school.
 - Note: ALL MEN WILL audition at District this year; regardless of voice part
- By saying yes to auditioning at District, you are also agreeing to continue in the process as long as you are able to move on (determined by your rank after each competition). You are also REQUIRED to attend the Region Clinic and Concert on Friday, November 11, 2011 during the school day and Saturday, November 12, 2011 all day at Lamarque H.S.
