

BOOSTER CLUB NEWS

Dear Clear Lake Choir Parents:

I can't believe how fast the summer came and went, but here we are, another exciting year is upon us and the Choir Booster Club has several events planned for the fall semester. The first one is our first general Booster Club meeting scheduled for **Thursday, September 4th at 7PM in the choir room**. Please make plans to attend and give us your ideas and suggestions as to what we can do to help improve our support of all the Lake choirs.

Other events we have planned are:

- September – Macy's Coupon fundraiser
- September – Gourmet Popcorn fundraiser
- October - Region Audition Concession at CLHS
- November – Region Clinic & Concert Concession at PPBC
- November – Poinsettia flower sales for the Christmas concert

Attached is a flyer promoting the Macy's "Shop for a Cause" event being held September 20th. The Choir Booster Club has elected to sell the Macy's coupons again this year for this event. We have found this to be a very good fundraiser for a number of reasons – you don't have to order anything and there is no cost to the booster club (each \$5 coupon sold represents 100% profit to our organization). I am asking each student/family to sell/purchase 4 coupons for \$5.00 dollars each (a total of \$20.00 dollars). The flyer explains the coupon's value and how the program works. Macy's simply gives the coupons to us to sell in advance of their big promotional sales event. Best of all, if we sell all of the coupons they gave us in advance of the September 20th sale date, we can ask for more to sell on the day of the event.

No other fundraiser we participate in gives us 100% profit. Please be generous and support the choir booster club with your \$20.00 donation. Please return all unsold coupons back to Ms. Horan or Mr. Tanner by September 17th, so that we may sell them at the store the day of the event.

Additionally, the booster club will be fundraising by selling Deanan Gourmet popcorn to not only our own choir students, but to all the CLHS student body. I will have more information at our first general booster club meeting.

I look forward to seeing you all at our first booster club meeting on September 4th at 7PM in the choir room.

Sincerely,

David Glasco
President
